Council Majority Leader
City of Providence

Dear Councilman,

On behalf of the management and residents of The 903 Residences, I would like to personally thank you for your support and assistance in removing the trailers that had been parked along Harris Ave. for the past several years.

As you are aware these trailers were not only an eye sore to the residents but a public safety hazard as well. Without your assistance I believe they would still be there.

As you requested in your letter dated September 9, 2009, I will keep you informed of any developments in the area, and we will also inform our residents of your work in solving this long standing issue.

If I can be of any further assistance, please feel free to call me anytime.

Very truly yours,

Michael M. Marcoccio
