Dear Councilman Hassett:

On behalf of the Nathanael Greene Middle School Administration and Parent Teacher Organization, I want to thank you for joining us and supporting our *First Resource Fair* for parents and students. It was an opportunity for sharing important and useful information about and to our school community. So far the feedback has been positive and we will be planning this event in the future.

I look forward to the work we will be doing to improve our school. The camera installation begins this Wednesday afternoon and will take about 1 and ½ months. I have had conversations with Doug Still and we will be meeting to discuss trimming the trees on the campus. Things are moving along and we are looking forward to the cooling system for the student cafeteria before the hot days of spring arrive.

I will be in touch with other ideas, in the near future, after I have the opportunity to collaborate with the staff and PTO members. Again, thank you for your work on behalf of Nathanael Greene Middle School.

Sincerely,

Dr. Santa T. Iadevaia  
Assistant Principal
