Special scavenger hunts, activity tables, and investigation stations available 10:00am-12:30pm on each Homeschool Adventure Day

Homeschool Adventures are programs held at the Museum of Natural History for local homeschool families.

Programs run the first Monday of each listed month, from 10:00am to 12:30pm, and each month is organized around a different topic. Family activity workshops/planetarium shows are held at 10:30am and 11:30am; other demonstrations, activities, crafts, and scavenger hunts are available between 10:00am and 12:30pm. Children under 4 are not permitted in the workshop or planetarium programs.

Register now to guarantee you'll be part of the fun! Space is limited and pre-registration is recommended. Please fill out the attached pre-registration form and mail it to the Museum with proper payment.

Cost is \$10 per family if pre-registered and pre-paid; \$15 per family if you register the day of the program.

Please note: Family cost covers up to 4 people ONLY. Additional attendees will be charged \$2.00 per person

In the event of inclement weather, the Homeschool Day will be cancelled and held the following Monday during the months of December-March. Please note that advance payments cannot be refunded.
