Yard Waste Collection Guidelines

Residents should put out their yard waste on their regular scheduled trash day and adhere to the following guidelines:

- Clippings, leaves, and assorted yard debris should be inside open barrels marked "Yard Waste" or paper yard waste bags
- Branches must be no longer than 4 feet, bundled, and tied with string.
- Yard waste cannot be placed inside plastic bags.

Yard waste collection will end December 10, 2010 for the winter months. It will resume in Spring 2011.
