

PUBLIC HEARING: Transportation Improvement Program (TIP)

City of Providence residents are invited by the Department of Planning & Development to comment on the City's proposals for the FY 2006-7 Transportation Improvement Program (TIP) administered by the Rhode Island Department of Transportation (RIDOT). A public hearing on the City's proposals will be held on Thursday, January 27 at 5PM at the Department of Planning & Development, 400 Westminster Street, 4th floor conference room. Proposals for this round of funding are due on February 4th, 2005. The TIP is a multi-year program of highway, bicycle, pedestrian, Enhancement, Congestion Mitigation/Air Quality, transit, airport, and rail freight projects that are eligible to receive federal funding.

For more information, please contact Linda Painter at the Department of Planning and Development at 351-4300, or by email at LPainter@providenceri.com.
