Re: Exciting New Benefits for City of Providence employees

We at the City of Providence are pleased to announce that through our relationship with Bank of America, we will begin providing the Bank of America at Work<sup>®</sup> program. This program is an enhanced employee financial package to all benefit eligible employees.

With the assistance of Bank of America we are committed to making the management of your finances easier. Bank of America has over 5,700 banking centers and a network of over 16,500 ATM's nationwide, which will be available to you should you choose to establish a relationship with Bank of America. And if you choose to deposit all or a portion of your payroll, by Direct Deposit, into a Bank of America checking account, you will realize additional savings through the Bank of America at Work program including:

- **Free checking with direct deposit**
- **Free Bank of America Homelink<sup>SM</sup> Online Banking with Bill Pay Service**
- **Preferred rates on Consumer Loans**
- **New mortgage closing cost offer**
- **And More!**

Bank of America will be onsite to introduce you to your new benefits, answer any questions about the program or general banking issues, assist with direct-deposit signups and open new accounts on:

**Wednesday, April 5, 2006 11:00am - 2:00pm Alderman's Chambers 3<sup>rd</sup> Floor**

If you are unable to attend the above event, you can speak to a Bank of America representative at 1-800-225.5353 or visit a Bank of America banking center.

We are pleased to make this additional benefit available to you. As with any other benefit, we encourage you to review your benefits information and consider taking advantage of those services that make sense for you.
