

Department of Public Works

"Building Pride in Providence"

MEMORANDUM

TO: Engineering Staff

FROM: William C. Bombard, PE, City Engineer

CC: John D. Nickelson, PE, Director

DATE: November 3, 2006

SUBJECT: `

Due to the seasonal difficulties for properly restoring excavations within the public way, road opening will not be allowed from December 1st to April 1st.

Emergency road opening permits will be issued to utility companies to repair existing lines.

Between now and December 1st, kindly alert contractors applying for a road opening permit of this seasonal moratorium.
